

50th ANNIVERSARY QUAICH

History

A sterling silver Scottish Quaich presented to Coulsdon Court Ladies Golf Club by Mrs Anne Clark during her year as Captain in 1997 to celebrate and commemorate the Club's 50th Anniversary year. History tells us that a Scottish Quaich was originally made of wood or leather and used as a drinking vessel. However, nowadays it is mainly used for the drinking of whisky on special occasions.

Prizes

The Quaich will be a special prize played for on the Club Invitation Day and awarded to the Coulsdon Lady member with the highest stableford score. The winner will have her name engraved on the Honours Board also donated by Mrs Anne Clark, which is to hang alongside the other boards outside the Ladies locker room.
