

ARC CHARITY SHIELD

THE ARTHRITIS AND RHEUMATISM COUNCIL FOR RESEARCH

History

The Arthritis and Rheumatism Council for Research was the Charity chosen by Mary Loveland in her year as Captain of the Ladies' Club in 1984-1985. In their letter of thanks following the Captain v Secretary match and our subsequent donation, the Council informed the Club that if we would be prepared to name one of our competitions for this Charity they would be happy to provide a shield as a trophy. (Committee Meeting November 1985). This proposal was brought before members at the AGM 1985. It was proposed by Mary Loveland and seconded by Audrey Clifford. The members carried the proposal and the first competition for the Shield was held on 30th July 1986.
