

FAMILY AND FRIENDS COMPETITION

History

This competition derives from the original Family Day and the winners' cup was given to CCLGC by Mrs Joy Reed. The competition should not be confused with the Mixed Invitation Day played separately in the annual fixtures.

The family and friends competition allows *male or female family and friends to be invited as playing partners with the ladies.

Organisation

The Lady Captain makes the arrangements and the game is followed by a light meal.

Format

The order of play is decided by the Lady Captain.

The game is a four ball better ball Stableford with full handicap allowance.

The men play off the yellow tees on every hole except the 14th where they play off the white tee.

Prizes

The trophy is presented to the winning pair. Wine and flowers are presented to the winners and runners up. These gifts are at the discretion of the Lady Captain.

** It was unanimously agreed by the CCLGC Committee on 2nd April 2012 that male **or** female family and friends may henceforth be invited to be playing partners with the ladies for this competition.*
