

HECTOR FUDGE TROPHY **(Committee Officers Competition)**

History

Hector began his golfing career with the Club in 1947 and has been during this time its Golf Professional.

A Fourball Stableford Competition played for the first time in May 1997 to celebrate and commemorate Hector Fudge on the anniversary of his 50-year association with Coulsdon Court Golf Club.

Format

The Captain, Vice-Captain, Secretary and Treasurer of each of the Coulsdon Clubs, (or their representatives), go out in 4 groups, i.e. 4 Captains, 4 Vice-Captains etc. and play a Stableford Competition after which the best total score of each Club determines which Club will win the Trophy for that year.

Organisation

The game is followed by a light meal in the Hotel Restaurant at which Hector is the guest of the ladies, who cover the cost of his meal, and where he presents the Trophy to the Captain of the winning team.

Each Club is billed with the Ladies paying for Hector.

Prize

The Trophy, presented by Hector, is a framed oil painting of the Course, painted by a past member and given to Hector as a gift some time ago. The trophy is displayed at the golfer's entrance to the hotel.
