

THE HELEN POPE SALVER

Captain v Treasurer Match

History

This match is in memory of Helen Pope who was both Captain and Treasurer and is to be played in March.

Organisation

Voluntary contributions collected go to the charity of the Captain's choice. (Committee decision - April 1996)

Format

All Handicaps – 18 Hole Match Play Competition. (Com. Meeting - Nov 1980)

Closing date two weeks prior to the competition.

The Captain and Treasurer will lead the field. The two teams are drawn in handicap order, ie, the lowest handicap will go into the Captain's team and the next lowest into the Treasurer's team and so on. If two players have the same handicap, then the order is alphabetical.

Any drawn player who is without a partner on the day may be teamed up with any other available drawn player, the one with the lowest handicap playing for the Captain's team.

If there is an uneven number of players at the time of the draw, then the last person to put their name on the list will be designated a "reserve".

Should two drawn players mutually decide not to play on the day for an unacceptable reason, for example, poor weather conditions, their match shall be deemed null and void and not be counted as a half. This will ensure that the outcome of the overall result is not unfairly affected.

A Win is only given when one drawn player is without her own drawn playing partner and there is no other drawn player available to compete against.

PLEASE NOTE

Players, who have not signed up for this game, play at the end of the field.

Should there be a drawn member who has been awarded a **WIN**, then this result goes towards the Helen Pope's Salver final result, and this particular player is then able to play at the back of the field with any other players who have not signed up for the competition.

Prizes

The leader of the winning team, ie, the Captain or the Treasurer takes home the Salver and keeps it for one year. In the event of a draw, the Captain and the Treasurer will hold the Salver for six months each.
