

Jean Cranch Trophy

History

This model of a horse was bought in memory of Jean Cranch with money donated to the club by her husband, Bert. Jean was a longstanding member of the club and was greatly missed when she died in 2012. Jean was particularly interested in horse racing.

Prizes

The trophy was first presented to the winner of a putting competition in the 2012 Autumn Meeting.

Subsequently the committee decided that the trophy will be donated to the winner of a putting competition during the April Medal competition each year. Putts will be counted as all strokes made when the ball is on the green.

Winners

2012 Betty Tyrrell

2014 Linda Oram (30 putts)

2015 Evelyn Brodie (28 putts)
