

Veterans and Ladies Texas Scramble

Organisation

Member pays green fee and an amount is collected on the day to cover cost of the meal and prizes.

Format

Texas Scramble

Draw - Played in groups of 4, although a minimum of 3 may play. If 4 members are in the team, then take $\frac{1}{4}$ of the combined handicap.

If 3 members are in the team, then take $\frac{1}{3}$ of the combined handicaps.

Take these strokes off your score at the end of the game.

All members drive off and then all players, with the exception of the player whose drive is selected, take shots from this best ball. The next shots are played by all players except the player whose shot is selected and so on until the ball is in the hole. This includes putting shots. Effectively, only three players in a team of 4 or two players in a team of 3 are playing shots. The intention is to speed up the game.

If there are 4 players in a team, then each member takes 4 drives with 2 drives remaining open.

If there are 3 players in a team, then each member takes 5 drives with 3 drives remaining open.

Balls are placed on the fairways but dropped in the rough.

Prizes

At the Captain's discretion.
